

When this book was printed in 2014, there were about 100 names omitted, from Pacheco to Pariera, as the first name listed under the letter P was Arthur W. Parent. This error was discovered in 2017 when the index was re-published on the Sonoma County Genealogical Society's website <scgsonline.org>. These additional names have been added to the printed copy at the Sonoma County History and Genealogy Library (the Annex). The names are included in the web version, which altered the page numbers in the P-Z sections.
